Where emotion *meets the night.*

LuneDeVenus is the music label and publishing house founded by JeanDeVersailles on the French Riviera. From Afro House and electric violin to Funk, Soul, Cinematic scores and international voices, its roster brings together artists from five countries, united by one idea: music that carries emotion, elegance and light.

Every recording is produced, published and cleared in-house — ready for sync in film, TV, advertising, trailers, luxury brands, hospitality and travel content.
